

CURRICULUM VITAE

Name: Neil H. Baum, M.D.

Address: 3525 Prytania Street, Suite 614
New Orleans, LA 70115

Contacts: Office: (504) 891-8454
Fax: (504) 891-8505
Email: doctorwhiz@gmail.com
Website: www.neilbaum.com

Birth: December 9, 1943
Wooster, Ohio

Civil Status: Married: wife-Linda
Children: Alisa, Lauren, and Craig

Academic Background:

<i>Undergraduate:</i> University of Wisconsin	1961 - 1964
<i>Medical School:</i> Ohio State University	1964 - 1968
<i>Internship:</i> UCLA School of Medicine	1968 - 1969
<i>Residency:</i> Baylor College of Medicine	1972 - 1976

Past Academic and Hospital Positions:

Assistant in Urology Baylor College of Medicine	1971 - 1977
--	-------------

Present Academic and Hospital Positions:

Active Staff Member of: Touro Infirmary, New Orleans, LA
Memorial Medical Center, New Orleans, LA
East Jefferson General Hospital, Metairie, LA

Associate Clinical Professor of Urology: Tulane Medical School
New Orleans, LA

Louisiana State University Medical School
New Orleans, LA

Associations: York Clinical Consulting 2006-present
New Orleans, LA

Certification:

American Board of Urology

Past Professional Experience:

Internship, University of California
at Los Angeles 1968 - 1969

Residency, Harbor General
(Surgery) 1969 - 1970

Residency, Baylor College of Medicine
(Surgery) 1971 - 1972

Residency, Baylor College of Medicine
(Urology) 1972 - 1976

Memberships:

Southeastern Section of AUA
American Urologic Association
American Fertility Society
Orleans Parish Medical Society
Urodynamic Society
Board of Public Relations and Communications
Louisiana State Medical Society
York Clinical Consulting

Other:

Editorial Board Postgraduate Medicine
Editor of Uro-Care - Managed Care for the Urologist
Editorial Board Medical Office Biller
Editorial Board Cost & Quality
Editorial Board Physician's Payment Update
Editorial Board Physician's Marketing & Management
Editorial Board Medical Aspects of Human Sexuality
Editorial Board Options in Medicine
Editorial Board Clinical Geriatrics
Editorial Board Physicians Advisory
Editorial Board Resident & Staff Physician
Editorial Board Internal Medicine World Report
Editorial Board Clinical Geriatrics

Editorial Board Private Practice Management
Editorial Board Doctor's Digest

Monthly contributor American Medical News and Health and Fitness
Contributing writer Times-Picayune, Sports Life, Sam's Buyline, Pharmaceutical
Representative
Advisory Board Human Sexuality
Monthly contributor Urology Times

PRESENTATIONS

1. Management of Postobstructive Diuresis
American Urological Association
St. Louis, MO
May, 1974
2. "Interpretations of BUN: Serum Creatinine Ratio" and "Nephrogenic Diabetes Insipidus Associated with Posterior Urethral Valves."
South Central Section - AUA
Denver, CO
September 15-18, 1974
3. Wilms' Tumors: A Review.
American Academy of Pediatrics
San Francisco, CA
October 19-23, 1974
4. A Comparative Evaluation of Avitene and Gelfoam for Hemostasis in Experimental Canine Prostate Wounds
22nd Kimbrough Urological Seminar
San Antonio, TX
November 10-14, 1974
5. Team Approach To Management of Cancer in Children Panel Member
American Cancer Society Meeting
Houston, TX
July 9, 1975
6. An Experimental Evaluation of Bladder Closure Techniques
Kimbrough Urology Seminar
Seattle, WA
October 5-9, 1975
7. Renal Vein Thrombosis in Renal Cell Carcinoma Proteinuria as a Diagnostic Sign.
University Urology Residents
San Diego, CA
May 12-15, 1976
8. Studies in Infertilities: Experimental Model of Varicocele in the Dog.
American Urological Association Meeting
Las Vegas, NV
May 17-20, 1976
9. Dissolution of Renal Calculi

Southeastern Section of AUA
Haines City, FL
March 20-23, 1983

10. Urodynamic Evaluation of Patients with Chronic Back Pain
International Society for the Study of the Lumbar Spine
Cambridge, England
April 5-9, 1983
11. A New Method of Post Operative Analgesia
Southern Medical Association Annual Meeting
New Orleans, LA
November, 1984
12. Sexual Distress of the Cardiac Patient
Cardiac Rehabilitation Symposium
New Orleans, LA
October 14-16, 1985
13. Sexual Rehabilitation of the Ostomy Patient
American Cancer Society
New Orleans, LA
March 26, 1986
14. Urodynamic Evaluation of Patients with Chronic Back Pain
Southeastern Section of the American Urologic Association
Dorado Beach, Puerto Rico
March, 1986
15. New Method for Management of Detrusor Instability: Transdermal Scopolamine
Southeastern Section of the American Urologic Association
Dorado Beach, Puerto Rico
March, 1986
16. Urodynamic Evaluation of Patients with Chronic Back Pain
American Urological Association
New York, NY
May, 1986
17. A New Surgical Approach for the Treatment of Urethral Strictures and Bladder Neck
Contractures: Balloon Dilatation with Injection of Cortisone, Bupivacaine, and
Epinephrine.
American Urological Association
New York, NY
May, 1986

18. Sexual Rehabilitation of the Cardiac Patient
Cardiac Rehabilitation Symposium
New Orleans, LA
October 7, 1986
19. Acquired Chordee Secondary to Non-Use of An Inflatable Penile Prosthesis
Southeastern Section of the American Urological Association
New Orleans, LA

Protocol No. 309/062-013
7. Advanced Surgical Intervention, Inc. - 1992
Intra- Prostatic Stint
8. Bard Urological, Inc.-1990
Prostate Balloon Dilation
Protocol No. 901
9. Genomics Collaborative, Inc.
Protocol No. 99-302
A Multi-Center, Multinational Open Clinical Study to Explore Relationships Between Genotypic (from DNA) and Serologic (from serum) Findings and Phenotypic Manifestations in a Large Cohort of Participants
10. B&B Clinical Innovations
Protocol No. B&BCI-O-2001-101

Multi-Investigator, Phase IV, Clinical Evaluation of Study Drug in the Treatment of Overactive Bladder Disease

11. Bayer Corporation
Protocol No. 100286
Prospective, Randomized, Double-Blind Study Comparing Study Drug with XXXX PO BID for Five Days in the Treatment of Patients with Acute, Uncomplicated Lower Urinary Tract Infections
12. American Medical Systems, Inc.
Protocol No. AMS002.3
Evaluation of the Safety and Tolerability of Transurethral Dehydrated Alcohol Injection for the Treatment of Benign Prostatic Hyperplasia
13. Sanofi-Synthelaboratory
Protocol No. EFC4428
A Double-Blind Randomized Parallel Group Study of Study Drug Vs. Placebo in the Management of Acute Urinary Retention in Patients with a First Episode Due to Benign Prostatic Hyperplasia
14. Ono Pharmaceutical Co., Ltd.
Protocol No. AIO-8507L-US0104
A Double-Blind Placebo-Controlled, Parallel-Group Safety and Efficacy Study Evaluating Three Dose Regimens of AIO-8507L, A Selective Alpha-Adrenergic Antagonist, in the Treatment of Benign Prostatic Hyperplasia
15. Bayer Corporation
Protocol No: 10806
A randomized, double-blind, multi-center, two-arm study to investigate the safety and tolerability of flexible doses of XXXX or XXXX given on demand in African American, Hispanic and Caucasian males with erectile dysfunction
16. GlaxoSmithKline
Protocol No. ARI4006
A Randomized, Double-Blind, Placebo-Controlled, Parallel Group Study of the Efficacy and Safety of XXX 0.5mg Administered Once Daily for Four Years to Reduce the Risk of Biopsy-Detectable Prostate Cancer
17. Eli Lilly
Protocol No. H6D-MC-LVFN
An Open-Label Study to Evaluate the Efficacy and Safety of XXX Administered “On Demand” to Men of Various Populations with Erectile Dysfunction
18. Pfizer
Protocol No. A1481179

A Multicenter, Open Label, Flexible Dose Study To Investigate the Use Patterns of XXX And the Ability of Investigators to Further Optimize Subject Satisfaction With XXX Through Customized Instruction

19. Sanofi-Synthelabo
Protocol No. L8890
Prospective, Observational Registry and Patient Survey of the Management of Men with Symptomatic Benign Prostatic Hyperplasia: BPH Registry and Patient Survey
20. Uromedica
Protocol No. URM01-01-01
Clinical Investigation of an Adjustable Continence Therapy Periurethral Prosthetic System for Treatment of Female Stress Urinary Incontinence with or without Hypermobility
21. AbbeyMoor
Protocol No. IDEG020140
Investigational Plan for a Prospective, Randomized, Controlled Study Comparing the Use of the Spanner Temporary Prostatic Stent to Standard Practice to Manage Lower
